

2018 Loss Prevention Grants Program Round 2

Michigan Counties Workers' Compensation Fund (MCWCF) is accepting applications for the second of two Loss Prevention Grants Program rounds in 2018. Organizations that are members of the MCWCF can receive a grant award to fund innovative loss prevention plans. Approximately **\$15,000** in grant funds will be available for this round. The maximum allowed request is **\$5,000**. Only current MCWCF members may apply. Multiple projects within the same county can be combined.

A committee made up of three MCWCF trustees will review the grant applications.

- Preference will be based upon the specific need or potential impact to the organization, which is not currently being funded through the organization's budget.
- Members are allowed only one grant per grant year. You cannot receive grants in consecutive application rounds. If you received a grant during Round 1 of 2018, you are NOT eligible to apply this round.
- Successful applicants must have a workplace safety committee.
- The grants are reimbursable (funds are disbursed after the equipment is purchased). You must file for reimbursement within 90 days of the date of the letter notifying you of your grant award.

Applications must focus on projects that **protect employee safety in the workplace**. This is a loss prevention program designed specifically to reduce workplace injuries and, thereby, the claims on the MCWCF and its members. If you have any questions about what qualifies as loss prevention and what does not, please contact AJ Hale at CompOne (ajhale@compone.net or 269-339-1544) **BEFORE** you submit your application.

For general information about applications, contact Derek Melot at melot@micounties.org or 800-258-1152. Grant awards will be announced this fall.

Requirements for your Loss Prevention Grant application

All applications **must be co-signed** by the ranking administrator of the fund entity (county, CMH, transport authority) AND the chair of its safety committee.

Please note: Only one (1) application will be accepted from *a fund member* in each round.

Members with multiple departments/agencies wishing to receive the grant are advised to follow this procedure:

- Step 1: Solicit proposals from interested departments.
- Step 2: Vet internal proposals.
- Step 3: Identify a single proposal for referral to MCWCF. (This decision could be made by the county administrator or by the member's safety committee.)
- Step 4: Submit the application to MCWCF in accordance with this packet's instructions.

For more information, please contact Derek Melot at melot@micounties.org or (800) 258-1152.
